Effort & Reciprocity

Score yourself, then score them

Out of ten, on what actually happened this month. Be fair to both of you.

WHO THIS IS ABOUT

MONTH

WHAT	YOU	THEM	DIFFERENCE
Initiating contact			
Planning the dates			
Paying / splitting fairly			
Being flexible on timing			
Following through on plans			
Asking about your life			
Making you feel wanted			
TOTAL			

YOUR TOTAL ÷ THEIR TOTAL =

1.0 IS EVEN

A low score doesn't make someone a bad person. It means you're doing more of the work.

What you do with that is entirely yours to decide.

BEFORE YOU SCORE THEM LOW, ASK

- Have I actually told them what I need, out loud, once?
- Am I scoring what they do, or what I'm afraid they think?
- If a friend showed me this page, what would I say to her?

Reflection

The page that actually changes things

WHO DID I FEEL MOST LIKE MYSELF WITH?

WHO DID I FEEL ANXIOUS AROUND, AND WHY?

WHAT PATTERN KEEPS REPEATING?

WHAT DID I DO DIFFERENTLY THIS MONTH?

WHAT AM I TOLERATING THAT I SHOULDN'T?

WHAT WENT BETTER THAN LAST MONTH?

WHAT DO I WANT MORE OF?

WHAT WOULD I TELL A FRIEND IN MY POSITION?
